

BIOSONICS WORKSHOP at FSAMLRL 2007

BioSonics, Inc. is proud to present a workshop:

Introduction to Hydroacoustic Tools for Lake Assessment and Monitoring

to be held onsite at the FSAMLRL Conference.

Date: Saturday, 15 September 2007

Time: 3:00pm – 7:00pm

Location: Room P1

BioSonics will present a brief background of the history and theory of hydroacoustics (SONAR) as applied to the assessment of underwater habitats.

Topics addressed will include:

- Basic Principles of SONAR
- Types of Sonar (applicable to Lakes and Rivers)
- Mobile Survey of Lakes and Rivers:
 - Fish (abundance and behavior)
 - Bathymetry
 - Substrate Classification
 - Submersed Vegetation Assessment
 - Survey Considerations
- Examples of Applications
- Questions and Answers

Please register for this workshop by replying to:

erin@biosonicsinc.com before August 31, 2007.

The cost of registration is 500 CZK (€17.80 EUR, \$24.55 USD), with a limited number of scholarships available upon request.

Payment (cash only*) will be accepted onsite at the Workshop.**

BioSonics, Inc. will provide refreshments.

**Credit Card payments will be accepted prior to the Workshop, by contacting Erin or Bob at:*

erin@biosonicsinc.com

***Scholarships must be requested and granted prior to the date of the Workshop; please contact Erin or Bob.*
